Permittee to fax attached "START & COMPLETION NOTICE" to 602-506-1021 a minimum of 48 hours BEFORE start of job, and also when job complete.

A separate Traffic Control Permit is required whenever working within 20 feet of the edge of the travelled way. Traffic Control Plans must be faxed to 602-506-1021 a minimum of 48 hours in advance of job start. Additionally, any CLOSURES must be approved a minimum of fourteen days in advance.

**Maricopa County Department of Transportation  
Permit for Construction in County Right-of-Way**

Permit No.: **TC202302277**

**CONDITIONS**

1. That the Licensee assumes the responsibility and all liability for any injury or damage to said highway, or to any person while using said highway, caused by or arising out of the exercise of this permit or license.
2. That all work done shall be at the sole cost and expense of the Licensee and shall be done at such time and in such a manner as to be least inconvenient to the traveling public, and as directed by the agent of the Licensor. Work must be finished in the time specified on permit.
3. That when the proposed work is completed the Licensee shall repair the roadbed and replace the surfacing material thereon, and will leave the said road in as good a condition as it is now, so far as the road is affected by the Licensee.
4. If the subject of the permit or license fails to pass final inspection, the Licensee will remove or replace the same within such time as specified by written notice from the Licensor, or if at any time hereafter, any material used by the Licensee in replacing or reconstructing any part of said highway proves defective, the Licensee will replace the same with the kind and quality of material which the Licensor shall specify.
5. That if the title and possession of any property placed upon the right-of-way by the Licensee remains in said Licensee, the Licensee shall and will promptly perform all necessary repair work upon written notice from the Licensor, and will not permit or allow any condition to exist which would be a hazard or source of danger to the traveling public.
6. That if at any time hereafter, the right-of-way, or any portion thereof occupied and used by the Licensee, may be needed or required by the Licensor, any permit or license granted in pursuance of this permit may be revoked by the Licensor and all right there under terminated and upon sufficient notice, the Licensee shall and will remove all property belonging to said Licensee.
7. That in the event that the work to be done under the authority of the permit or license necessitates the creation of any hazard or source of danger to any person or vehicle using said highway, said Licensee shall and will provide and maintain at all times during the existence of said hazard sufficient barriers, hanger signals, lanterns, detours, and shall and will take such other measures of precaution as the Licensor shall direct.
8. That if the work to be undertaken is of such a nature or character that the Licensor deems it necessary that said work be laid out or inspected by the Licensor, said Licensee will defray any and all expenses incurred by said Licensor and herein agrees to reimburse the Licensor and for that purpose will deposit with the Licensor a sum of money in the amount necessary to cover all cost incurred by the Licensor.
9. That in the event any property belonging to or the area occupied by such property being used by the Licensee within any portion of the right-of-way interferes with or is needed to construct, maintain, reconstruct, improve, or relocate any highway, street, road, drainage, or sewer lines or structures pertaining thereto, by or for the Licensor, said Licensee shall at their own expense relocate, remove, lower, or raise such property, within a reasonable time, when requested to do so by the Licensor in writing.
10. All conditions of the permit shall be in conformity with the latest Maricopa County Resolution for Permits to Work in Dedicated Right-of-Way, including but not limited to the following:
  - a. Assurance in an amount not less than 100% of an engineer's construction cost estimate to complete the Work, for which the Permit is to be issued, which estimate shall be acceptable to the County Engineer, has been provided to the County as a guarantee that the work will be completed in accordance with the permit and the County's details and specifications.
  - b. A certificate of insurance shall be filed with the County Engineer's office covering Public Liability and Property Damage with the following minimum limits:
    - \$1,000,000 for death of, or injury to, any one person in any one accident.
    - \$2,000,000 for death of, or injuries to, more than one person in any one accident.
    - \$1,000,000 for damages to property.
 Required insurance shall remain in effect and be kept on file with the Maricopa County Department of Transportation until all Work to be performed under the Permit(s) has been completed. The failure to provide proof of required insurance, or the lapse of any policy of insurance without immediate replacement, shall render any granted Permit(s) invalid. A fifteen day written notice of change or cancellation of the policy shall be served on the County Engineer.  
 Fifteen day written notice of change or cancellation of the policy shall be served on the County Engineer.
  - c. A copy of the schedule of fees is on file in the Maricopa County Department of Transportation and the Office of the Board of Supervisors.
11. That the Licensee and contractor shall comply with all federal, state, and local environmental laws including but not limited to the Solid Waste Disposal Act; the Comprehensive Environmental Response, Compensation and Liability Act; the Toxic Substances Control Act; the Clean Water Act; the Clean Air Act; the Endangered Species Act; the Migratory Bird Treaty Act; the National Historic Preservation Act; the Occupational Safety and Health Act; the Arizona Water Quality Act Revolving Fund Act, the Arizona Hazardous Waste Management Act, the Arizona Antiquities Act, the Arizona Native Plant laws, any applicable National Pollutant Discharge Elimination System permit and the Arizona Pollution Discharge Elimination System permit, and Maricopa County Storm water Permit.

## 6.6. Annual Maintenance/Recurring Work

This includes routine maintenance and inspections of existing facilities, replacing or upgrading like equipment and similar activities that do not entail new installations or relocating existing facilities.

Annual maintenance permits are not granted for work that includes excavating within the ROW.

Emergency repairs, new service connections and potholing for new installations are not considered maintenance activities and should be separately permitted.

### 6.6.1. Plan Review

For maintenance activities, plans are not typically generated. While plans submittal is not required, the Applicant should submit a list of annual maintenance activities they plan on performing for MCDOT review and approval.

#### 6.6.1.1. Municipalities

For municipalities, typical maintenance activities include the following:

##### Traffic Operations

- ✓ Striping maintenance
- ✓ Traffic signal maintenance
- ✓ Sign maintenance
- ✓ Street light maintenance

##### Roadway Work

- ✓ Asphalt repairs
- ✓ Surface Treatments
- ✓ Concrete repairs
- ✓ Curb & Gutter replacement
- ✓ Sidewalk replacement

##### ROW

- ✓ Weed control (spraying)
- ✓ Shoulder grading

##### Storm Water Facilities

- ✓ Inspection or maintenance of drainage structures
- ✓ Retention basin maintenance

##### Wastewater

- ✓ Servicing equipment
- ✓ Vector maintenance (spraying)
- ✓ Dusting manholes
- ✓ Manhole adjustments

##### Water Distribution

- ✓ Exercising, operating, and dusting valves
- ✓ Valve adjustments
- ✓ Hydrant flushing

#### 6.6.1.2. Water Companies

For private water companies, their typical maintenance activities include the following:

- ✓ Exercising, operating, and dusting valves
- ✓ Valve adjustments
- ✓ Hydrant flushing

#### 6.6.1.3. Dry Utilities

For utility companies, the typical maintenance activities include the following:

- ✓ Testing of Conduit
- ✓ Changing of like equipment (with no excavation)
- ✓ Tree Trimming and related clean-up activities
- ✓ Inspection of Manholes
- ✓ Replacing Poles in place (3 max), Not upgrading capacity
